Company Profile

Fleischhacker GmbH & Co. KG, headquartered in Schwerte, is a trading company for medical and laboratory technology with many years of experience in the international aid business. In Germany, we mainly supply hospitals, general practitioners, emergency services and companies.

Over the years, we became one of the largest suppliers for NGOs (Non-Governmental Organizations) and bank-financed aid projects in the area of medical and laboratory equipment. We work with almost all UN organizations, the Red Cross and many other institutions, through long-term agreements or system-contracts.

The international projects we supply are quite different in nature and can vary from the provision of medical and laboratory equipment to more than 1,200 primary health care facilities in remote destinations to the supply, installation, training and maintenance of highly sophisticated solutions including MRIs, CTs, central monitoring systems and endoscopic operating theatres.

The modular system, which has been used for this truck as well has been delivered to UN Peacekeeping missions since 2003 and all components are fit together and truck is able to work independent by generator, oxygen supply, air-condition etc. for at least 24 hours without re-charging.

In 2021 we started to cooperate with a partner to support mobile solutions as well and been able to deliver different kind of trucks and trailer to several destinations.

We have a partnership with ENAK, manufacturing the different vehicle in accordance to international standard for many organizations both at home and abroad. All services relating our sales before and after, are successfully and reliable performed by us.

ENAK started their operations in Germany in 1963 and are continuing our 28 years of experience in Turkey and are exporting worldwide.

Enak Ambulance is working with ambulance manufacturers in Turkey which provide the most accurate and superior quality and reliable delivery is part of our success as well as tailor made solutions and we are committed to our customer satisfaction with competitive prices and fast service.
