Prerequisites required for mobile hospitals/clinics

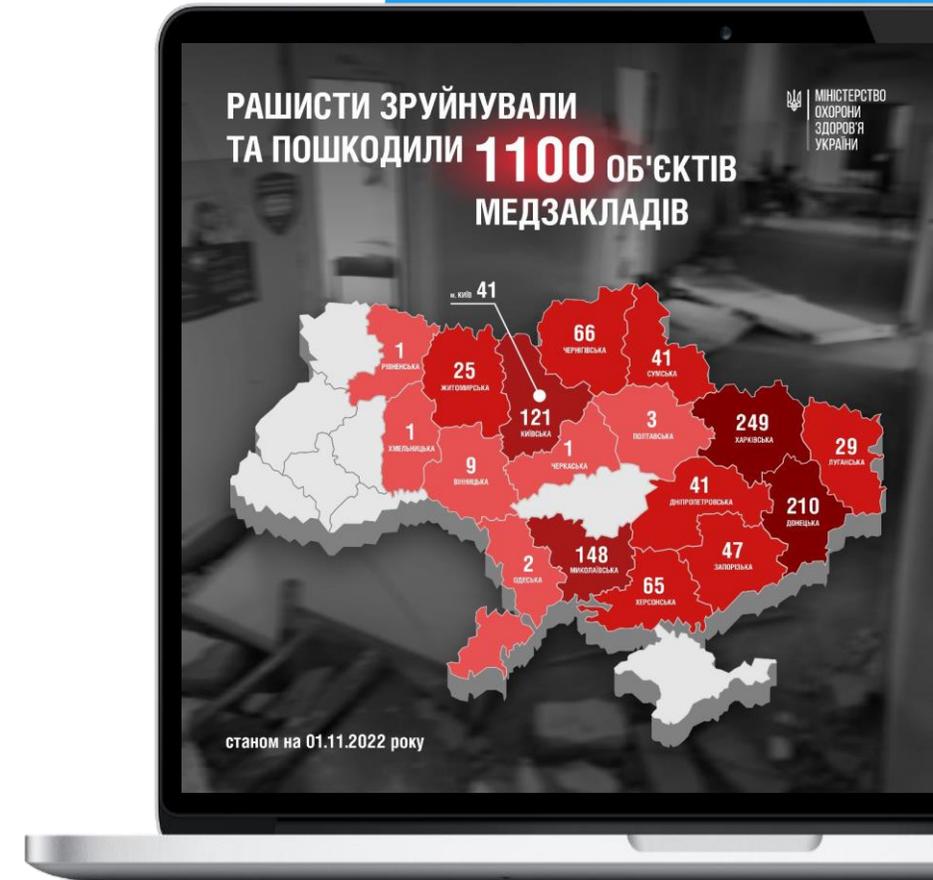

The scale of crimes committed by Rashists against Ukrainian civilians is impressive.

⚠ During the 8 months of the war, the Rashists destroyed 1,100 medical treatment facilities. A total of 144 hospitals were destroyed.

⚠ 95 medical facilities have fully recovered.

⚠ 204 objects have been partially restored.

Preliminary estimates put the cost of restoring destroyed medical facilities at more than 38 billion hryvnias (UA currency)
